February 6, 2012

BULLETIN NO. 168 TO ALL MEMBER COMPANIES

The forty-first annual meeting of the Michigan Automobile Insurance Placement Facility and the election of a new Board of Governors will be held in the offices of the Michigan Automobile Insurance Placement Facility, 17456 Laurel Park Drive N., Suite 130E, Livonia, MI 48152, at 9:30 A.M., on Monday, March 26, 2012.

The election of the new Board of Governors will be based on the provisions of Section 3, Administration, of the Facility Plan of Operation, subject to the voting procedures outlined later in this bulletin. The Board shall consist of eleven Governors, seven of whom will be salaried employee representatives from participating member companies, at least three of which shall represent domestic insurers.

Annually, on a date fixed by the Board, participating members shall elect the seven company representatives to serve for a period of one year, or until successors have been elected. Such election shall take place at an annual meeting to be held after the annual determination of participation ratios for the current year and to be called by the Board upon at least twenty days notice in writing to all members, which notice shall include a list of at least seven nominees proposed by the Board. Additional nominations, duly seconded, may be made at the annual meeting by the representatives of participating members in attendance. *Each participating member shall be entitled to one vote on a weighted basis.* Such membership vote shall be weighted, based on the total Michigan automobile insurance gross direct premiums written, including policy and membership fees, less return premiums and premiums on policies not taken, without including reinsurance assumed and without deducting reinsurance ceded for the calendar year ending December 31 of the second prior year (2010).

Vacancies on the Board shall be filled by vote of the remaining members of the Board. The four remaining Governors (two representing insurance agents and two representing the general public) are appointed by the Commissioner of Insurance.

Voting Procedures:

Allstate Insurance Company
Amerisure Mutual Insurance Company

2. Additional nominations, duly seconded, may be made during the meeting.

Ballots must be received by **March 23, 2012**, or you may present them during the meeting. If a member chooses to wait for additional nominees during the meeting, it may cast its vote in person during the meeting, or it may designate another member company to cast its vote by proxy during the meeting. The enclosed ballot form is also designed to be used as a proxy if a member chooses to vote by proxy.

Regardless of the method selected, a member company may not cast its total weighted ballot for more than one nominee. Members of a group are not required to vote as a group.
